"The estimated cost of this land is total cost, together with the expenses of the condemnation proceedings, shall be assessed by the jury on the surrounding and abutting property as benefits. "The extension and widening of Colo-

rado avenue, as proposed in the bill, is believed to be very desirable. This avenue is becoming an important thoroughfare between 14th and 16th streets, and should be opened to the full width of 120 feet, as laid down in the highway extension plans, before the increase in the value of the land or the erection of improvements would make the cost prohibitive. The land to be taken for the widening is divided into a number of small holdings, and it is impracticable to acquire it by dedication.
